Our Roads are calling you !

Carinthia has so many fantastic biking roads for you to experience, so many beautiful sights to see. You could stay for weeks and still find something new each day. We

offer you the perfect base from which to explore the area. No need to move on each day, no pressure to make it to the next overnight stop. Enjoy each day doing as much or as little

as you please. Leave your luggage here, concentrate on the ride

Try a circuit including the Grossglockner pass -290kms, four to five hours riding time, but you will want a full day! Or the Nockalmstrasse circuit-120kms, two to three hours riding. Both of these include toll roads which are free to our guests. Every motorcyclist staying with us gets the benefit of the use of the National Park Hohe Tauern card; free use of many toll roads, free entry to many of the local attractions, discount at many others. The card normally costs 35 euros and is yours to use during your stay with us.

One day. Three countries.

We are less than an hours easy ride from both Italy and Slovenia .

Enjoy your breakfast with us, have a coffee break in Italy, lunch by the lake at Bled in Slovenia and try a

mountain pass back into Austria. Return to a cool beer (or two) and then another excellent meal on our terrace.

Compare notes with motorcyclists from all over Europe.

Maybe watch a Moto GP round on our TV.

For early risers Venice is just under 3 hours ride away!

Slightly closer is the Millstättersee, only twenty minutes away and just one of the many thermal lakes here in Carinthia.

The water is 25C + all summer. Resist if you can!

Historic towns, castles on improbable hilltops, crystal clear lakes, stunning mountain scenery, fantastic roads Carinthia has it all, with the added bonus of two more countries right on the doorstep.

We are here!

Getting here.

We are approx 140 kms south of Salzburg using the A10 autobahn (155 kms if you take the scenic route!)

For our guests wishing to come via the Grossglockner we can send a voucher for the toll section
