Winter Sports for all

Give it a try- you might like it!

If you have always wanted to try winter sports, haven't been for a while or want to ski as a family, we have the perfect holiday for you. There are three resorts within easy reach offering a huge range of fun. Everyone from the complete beginner to experienced enthusiasts will find something to suit.

Skiing is of course the most popular activity, come and give it a try! We can offer advice to beginners of all ages. We can help with everything from resort and weather information, equipment hire or on the choice of ski school.

How about tobogganing, on the Stubeck there is a special vehicle to take you back up, tie your toboggan on the back, climb aboard and sit back and enjoy the ride-repeat as desired.

Try ice skating, snowboarding, cross country skiing or perhaps winter paragliding. And of course the Malta valley is a major centre for ice climbing.

Or you could just go to the resorts to soak up the atmosphere, have lunch on a mountain top and watch all the action.

Whilst the experienced or the dedicated may wish to ski all day it is not compulsory. There is so much to see and do away from the resorts that you might not find time for exercise. Oh well! There is always next year.
